

Investment Objective and Policy

The Fund's objective is to provide a total return from income and capital growth, while seeking to preserve the invested capital of the unitholders who will retain their holdings over the predetermined investment horizon of five (5) years. The Fund will be fully liquidated by December 15, 2028.

In order to achieve its objective, the Fund invests mainly in a diversified portfolio of senior euro-denominated bonds, issued by companies with registered office, operations or exposure in Greece and abroad, and traded in organized markets.

The Fund's portfolio will have a weighted average maturity of approximately 5 years at its inception date, by investing in bonds with maturity of 3 to 6 years, to be held until their maturity or be liquidated by the Fund's maturity.
