Press Release

Our initiative to supporting «Together for Children» through the «I Care, I Offer» Program

At **Alpha Asset Management M.F.M.C.**, we believe in the power of giving, solidarity and support for those in need. As part of our corporate social responsibility initiative, we are proud to announce our recent **donation to the «Together for Children»**. This contribution will **secure the nutrition of children in a small facility for an entire month**.

About the "I Care, I Offer" Program

Launched in 2012, the "I Care, I Offer" program supports children living in facilities or under child protection agencies across Greece. More than **200 organizations** across Greece participate in the programme's network, which **supports 18,000 children** annually by providing food, essentials, school supplies, toys, clothing, footwear and furniture.

Why We Support This Cause

Supporting the "I Care, I Offer" program aligns with **our core value of social responsibility**. Beyond our business operations, we wish to help create a positive impact on society, and our contribution **helps improve the living conditions and opportunities for children in need**.

We are honored to contribute to such a meaningful cause and encourage others to join us in making a difference. For more details, to donate, or to become a volunteer, please visit <https://maziगतopaidi.gr/en/>.

Together, we care. Together, we offer. Together, we make a difference.
